

Public Listening Session

The City of Raleigh is planning to improve Leesville Road.

We are hosting a listening session with staff present to share general information about this planned project and hear your thoughts and concerns.

Not able to attend the meeting? That is okay. We still want to hear your thoughts. Meeting materials are located at <https://publicinput.com/4302> and comments are being accepted through May 16.

EVENT DETAILS

May 2, 6:00 to 7:30 p.m.

Lake Lynn Community Center

7921 Ray Road

Raleigh, NC 27613
